Happy Halloween!

It’s an oogie boogie Halloween!

Calling all pumpkins, princesses, pirates and more! It’s time for our Halloween party! Show us you spookiest, silliest or just plain wild styles, or come as your awesome self. Sink your teeth into our pizza and snacks, get in the spirit with our fun and games, or howl your heart out on karaoke! Mad Science will be toiling and troubling to help you brew up a ghoulish concoction at their Slime Station. Don’t miss out on the hocus pocus!

Our Halloween Party will be held on Friday October 26th from 6:00 p.m. to 8:00 p.m. in the Eastworks Event Space at 116 Pleasant St, Easthampton, MA.

Register with Danielle at Danielle.plass@pathlightgroup.org or 413-529-2428 x115.

Autism Connections partners with Berkshire County Arc for their Family Support Halloween Harvest event

Autism Connections is proud of the many partnerships we’ve been creating over the last few years, particularly with Berkshire County ARC. Last year, we were able to help out with their annual Halloween Harvest Party, and it was so enlightening to see how much we all have in common - including many of the people who are served in one way or another by both of our organizations. This year, we’re up to our old tricks (and treats) again, and will be collaborating with BCARC for the second year in a row.

The Halloween Harvest Party will be held on October 9th, 2018 from 5:00 p.m. to 7:00 p.m. at 65 Depot St, Dalton, MA. There will be prizes, snacks, and lots of dancing - so don’t be left out! RSVP to Benjamin.Breton@pathlightgroup.org.

2. Transition Fair Panel RSVP: October 16 (pg 12)
The Autism Collaborative of Berkshire County

September 21st kicked off another season of the Autism Collaborative of Berkshire County’s monthly meetings. Our presenter, Stephanie Krantz of the Disability Law Center, covered two very important topics: Voting Rights for people with learning differences and information on IEP rights and responsibilities for students that are entering the transition phase of their schooling. She gave a wonderful overview of both then transition process and information from an organization called RevUp, who’s mission is to increase the disability vote in Massachusetts. Attendees shared many resources, events, and programs that will be beginning this fall for both individuals and families in Berkshire County.

Next month’s meeting will be held on Friday, October 19th from 10 a.m.-12 p.m. This meeting will be held at Hillcrest Academy, located at 400 Columbus Ave. (the Old St. Mark’s school). October will focus on Fire Safety and a. Our Spotlight Speaker will be Lili Dwight, the founder of Fireguide. Fireguide is a fire safety program designed for the 21st century, by a team that understands what it takes to corral loved ones and get them out of a burning building ... quickly.

ACBC is always looking for Spotlight Speakers. Spotlight Speakers are welcome to talk about their programs, topics of interest to the autism community, events, and/or initiatives that affect our families and individuals we work with. Please contact us at emailacbc@gmail.com if you are interested.

Adult Social Group In Pittsfield

Fall is here! With the new season upon us, our Adult Social Group in Pittsfield is gearing up for some new and fun activities! The Adult Social Group is for people ages 18 and up who are looking for a judgement free zone where you can discuss current successes and challenges in a group setting with peers who understand. The group is led by Regina Mason. She has a great understanding of Autism/ Asperger’s and has taught classes for many years. Regina is also the owner of Little Puppet Studio. Last year the Adult Group worked on writing, producing, and performing a play for all ages. We currently have openings for this group, if you are interested in attending, please contact Erica.Donovan@pathlightgroup.org.

John Krol Show

Autism Connections’ team member Erica Donovan was featured on The John Krol Show, the Facebook Live channel, where she discussed the great work that is being done by the Autism Collaborative of Berkshire County. Check out the clip here.
Fire Safety Week in October

Fire Safety

Fire Prevention Week is this month and we would like to review some tips to help you prepare a fire safety plan. Some child or adult behaviors that cause safety hazards during a fire include: retreating to a favorite hiding place to escape the sound and commotion, backing away from a firefighter whose appearance with a mask and full uniform can be unfamiliar and frightening, being unfamiliar with the sound of the home smoke alarms and retreating from that sound, and returning to a burning dwelling to retrieve a special object or pet.

Here are some tips to help you with fire related safety plans to avoid the above behaviors, and keep your family as prepared as possible.

**Preparation tips**

- **Visit your local fire department** to see firefighters in full gear, experience the sound of sirens and give your child the chance to see and touch fire trucks. This would also be a good time to share an emergency profile sheet (sample sheet), exchange information, and answer any questions specific to your loved one’s needs. Call ahead to ensure they will be able to give you the time and attention your child will need.

- **Use visuals** to explain what a fire is and why it can be dangerous, utilizing photos of your actual home to help your child understand any exit plans.

- **Install the right number of smoke alarms.** Test them once a month and replace the batteries at least once a year.

- **Teach children what smoke alarms sound like** and what to do when they hear one. (This link mimics an actual smoke alarm sound, so please be prepared for it if you decide to click on it.) Family members who are very sensitive to sound can benefit from the installation of specialized smoke/fire alarms that use voice or other more sensory friendly means to influence an action. Here is an example of a company with a voice activated product http://www.galacticsmarties.com/.

- **Ensure that your family knows how to exit from every room** of your home and know the family meeting spot outside of your home.

- **Practice a fire drill** at least twice/year. Press the smoke alarm test button or yell “Fire” to alert everyone that they must get out. All family members should be able to exit within 2 minutes.

- **Establish a family emergency communications plan** and make sure all household members know who to contact if they cannot find one another.

- **If possible, assign someone to be with your family member with sensory issues.** They may become overwhelmed by the commotion and attempt to flee. Try to choose a meeting spot which is at a neighbor’s home, rather than the street (or a mailbox). The street could interfere with the firefighters duties, and may still be a location that is very busy and loud.

**What to do in the event of a fire**

- **Make sure everyone knows how to call 9-1-1,** or think about alternative means to communicate an emergency if a call would be difficult for anyone.

- **Teach your family how to STOP, DROP and ROLL** if their clothes should catch on fire.

- **If you can see smoke in the house, stay low to the ground as you make your way to the exit.** In a fire, smoke and poisonous air hurt more people than the actual flames do. You’ll breathe less smoke if you stay close to the ground. Once you are out, do not return to retrieve any items.

If a fire occurs, your best way to stay safe is thorough preparation. Please contact your fire department if you have more questions about protecting yourself and your loves ones, and stay safe.

Welcome Amber!

Autism Connections is growing! We’re excited to announce our newest Autism Specialist, Amber Curry! Amber will be providing supports in both the Waiver program and in the DESE/DDS Grant program. She has her degree from Bay Path University in Health and Human Services, and several years in the human services field, supporting children and adults with autism, developmental disabilities and acquired brain injury. Amber also has a background in Alternative and Augmentative Communication (AAC). Please don’t hesitate to introduce yourself to Amber at our community events!

Our summer picnic

Autism Connections said aloha to end of summer and the start of the school year with our Annual Picnic on September 8th. We enjoyed a fun-filled luau theme to remind us that summer wasn’t officially over… yet! Brianna Rzeznik serenaded us with relaxing tunes on her ukulele, and everyone enjoyed the flamingo ring toss, hula hoops, and the playground. Mahalo (thank you) to everyone who attended and contributed delicious potluck treats – we hope to see you again soon at our Halloween party!
