Inclusion at its finest!

Autism Connections would like to recognize all of those students who work so hard on a daily basis to learn and grow, parents who advocate for their child to receive appropriate supports within the school, and teachers who foster inclusion and opportunities.

Success can only be achieved through hard work and dedication. Congratulations on a year well done and enjoy the summer!

“When inclusion education is fully embraced, we abandon the idea that children have to become “normal” in order to contribute to their world. We begin to look beyond typical ways to be valued members of the community, and in doing so, begin to realize the achievable goal of providing all children with an authentic sense of belonging.”

Katie Drumm

You may have met Katie Drumm at one of our activities, or an event, or at community collaboration meetings. She’s been an amazing part of our team for several years. At the beginning of May her role changed as she became Associate Director for Family Services. Don’t worry, she’s not going too far and will still be a part of Autism Connections. Her focus will shift to Adults Supports, Employment, Community Based Day Programs and Agency with Choice.

These are areas of significant growth over the past years and we are excited to have Katie leading the expansion! If you are in the Inclusive Community Center in Hadley, stop by and say hi to Katie- that’s where she will be most of the time.

Kansas Brown

With Katie moving onto this new adventure, we needed to find a strong leader to fill her shoes- which is a tough assignment. After rounds of interviews we were lucky to add Kansas Brown to our Autism Connections Team as the Easthampton and Regional Program Manager. Kansas will be assuming the role as Manager for our Easthampton Site as well as our two Regional Programs of DESE and Autism Waiver. Kansas comes to us with years of experience and strong leadership skills.

Kansas started back on May 13 and wow, he is jumping right in! We are very excited to have him on our team. If you are in our office in Easthampton, stop by and introduce yourself.

Upcoming Activities

The end of June can be a tough week to fill with activities—school is out and summer programs haven’t started yet. Well, we have great news for you! Autism Connections has reserved a number of different facilities just for our guests to enjoy a sensory friendly environment. Take a look!

Toy Story 4, Sensory Friendly Movie

Woody, Buzz Lightyear and the rest of the gang embark on a road trip with Bonnie and a new toy named Forky. The adventurous journey turns into an unexpected reunion as Woody's slight detour leads him to his long-lost friend Bo Peep. As Woody and Bo discuss the old days, they soon start to realize that they're worlds apart when it comes to what they want from life as a toy.

Join us for this sensory friendly showing of the ever-popular Toy Story! This is a family event, and we have rented the entire theater for our group. Tickets are $5.00 and the theater will hold 75 people only, so please reserve your spot early with Danielle!

Date: Tuesday, June 25
Time: 9:30-9:45 arrival; movie—10:00 a.m.-12:00 p.m.
Location: West Springfield 15, 864 Riverdale Street, West Springfield (previously called Rave Cinema)
Tickets: $5.00
