Pathlight continues to operate at 100 percent, as we are an essential business. As a human service organization that serves people with disabilities and autism, we provide necessary care and services 24/7.

Our commitment to that work is stronger than ever, and the work to ensure the health and safety of the individuals we serve has greatly intensified. Our teams are meeting seven days a week to ensure that we are fully prepared to meet any challenges that come our way. Here are some of the ways we are continuing to support the community:

We are providing essential services to individuals with disabilities who live in community homes, apartments and family homes.

We are supporting children, teens and adults with autism and their families.

We are caring for individuals living in our residential homes with staff 24/7.

We are creating online enrichment classes, support groups, workshops for families and activities for our recreation and day programs.

We are responding to emergency needs of families.

We are direct caregivers, nurses, counselors, home care providers, teachers, advocates, clinicians, trainers, specialists, support professionals and caseworkers.

Let us know if we can help you!

Donated Items Needed

We asked staff in our residential homes what kind of things they’d like to have to help residents with fun activities. They told us they would love to have arts and craft supplies, iPads (to help residents remotely visit with their families), bean bag chairs for movie nights, coloring books and karaoke machines.

If you may be able to donate any of these items, please email info@Pathlightgroup.org. Thank you!

Two Question Survey

As we continue to develop our online activities, your input is important to us.

1. What online classes or events would be helpful for you and your kids?
2. Given your kids’ school and other obligations, when is the best time to hold these online classes?

Please email Julie.Hooks@pathlightgroup.org if you have a moment to provide some input for us.
