A Whole Life: The Empowered Journey

Advertiser Opportunities

Advertising opportunities are available in the Event Program which is accessible online to Conference participants until July 29, 2022.

Promote your organization to all Conference attendees!

At Autism Connections' April Conference, you have an opportunity to advertise in the Event Program, which will be available to Conference participants until July 29, 2022.

As we all continue the professional process of recovering from a global health event, it is important to re-connect with families and re-acquaint them with your services, tools, resources and products since there have been changes in the world of supports for people with autism.

We hope you will join our community of organizations providing information and resources to Conference attendees, and will perhaps consider joining us as an **exhibitor!** Visit our event page **here** and learn more about the Conference.

Registration and materials deadline for advertisers is March 18, 2022
